

Windstar Pours on New Wine Experiences for Select 2024 Itineraries

MIAMI, FL, December 19, 2023 – As part of an ongoing commitment to unique epicurean experiences at sea, small ship line [Windstar Cruises](#) has announced the addition of curated wines to some of the line's most unique itineraries in 2024.

Award winning, small-lot lines will be featured on five Windstar sail dates next year, several coinciding with Windstar's existing James Beard Foundation themed culinary cruises. On each sailing guests will have the opportunity to partake in exclusive wine tasting events tailored to discovering wines that are available exclusively at the winery and to wine club members.

"We'll be bringing a bit of wine country on board as a special experience for our guests," explains Peter Tobler, director of hotel operations at Windstar. "These are small production wineries, and our guests will be able to taste wines that aren't available anywhere else except at the winery where they were produced."

Here are the five sailings and featured wines:
